

FACT SHEET
Responsibility For Behavioral Health
Emergency and Post-Stabilization Care Services

B. ALTCS members residing in areas not served by program contractors, such as Native Americans living on the reservation:

- AHCCCS is responsible for medically necessary outpatient and inpatient services for persons residing in areas that are not served by program contractors. A tribal case manager should be notified within 24 hours of admission.

4. IHS enrolled, HEALTH PLAN enrolled FFS MEMBERS receiving services at 638 Tribal facilities or IHS facilities.

All claims for services provided at 638 Tribal facilities and IHS facilities for Title XIX and Title XXI members are submitted to AHCCCS Administration (not as TPA for ADHS).
